Comments about installation:

TERMS AND CONDITIONS

- To be eligible for a rebate I understand that the pool owner must be an electrical customer of Pacific Gas and Electric Company (PG&E) with an active meter serviced by PG&E. I understand that if I am installing products at more than one residence or facility, I must identify each individual address and Service ID# on separate worksheets.
- I understand the program term expires as of July 30, 2010 or sooner if allocated funds are depleted. New products that are ordered, purchased and installed after July 30, 2010 do not qualify for a rebate. The program may be modified or terminated without prior notice.
- I understand that this signed and dated "Installation Report," incorporated herein by this reference and other required documentation as referenced in this Installation Report, must be submitted by the contractor to Pentair Water Pool and Spa, Inc. ("Pentair") by July 30, 2010 to be considered eligible for payment of a rebate.
- This report will be submitted to Pentair for review. The rebates will be issued once all information is verified. All installations are subject to random inspections by Pentair, Pacific Gas & Electric (PG&E), or an authorized third party.
- 5. This program is funded by PG&E. The customer is entitled to a \$100 rebate through this program. The customer is NOT eligible for any additional rebate through PG&E's Energy Efficient Pool Pump and Motor Rebate Program.**
