

2009 Energy Rebate Program Overview

The Pacific Gas and Electric Company (PG&E)/Pentair Water Pool and Spa Exclusive Pool Pump and Motor Rebate Program has been developed to accelerate the installation of variable speed pool pumps to dramatically reduce energy use in California. Variable-speed pumps use up to 90% less energy than single-speed pumps, and financial incentives are available to pool owners and to you, the pool professional, after installation.

Here's a quick review of the rebates available to you and your customers.

Qualifying Variable Speed Pumps	Customer Rebate*	Installer Rebate*
IntelliFlo® VF IntelliFlo® VS-3050 IntelliPro® VS-3050 IntelliFlo® VS+SVRS	\$100 for variable-speed pump \$100 for two-speed** pump	\$200 for variable-speed pump \$100 for two-speed** pump

*Rebate amounts are subject to change.

**Qualifying two speed pumps found on:

This exclusive program has been designed to minimize and simplify paperwork for you and your customer. Simply complete the Installation Report at the site, obtain the homeowner's signature and submit the form to Pentair. Rebate checks will be issued back to you and your customer.

Don't delay, time is limited!

The funds for the PG&E/Pentair Exclusive Pool Pump and Motor Rebate Program are limited. Rebates are available on a first-come, first-served basis. Don't miss this opportunity.

Getting started

Today's training session to become a qualified installer requires completion of the following materials, which are included:

- Training Verification Form
- Letter of Agreement*

Once today's training session is complete, fill out and submit both forms to the Pentair Water Pool and Spa representative conducting your training session

You'll receive an e-mail notice confirming that your company is a qualified installer. The e-mail will include a login and password to begin submitting online Installation Reports

Thank you for attending this special information and training session.

The Exclusive Pool Pump and Motor Rebate Program is funded by Pacific Gas and Electric Company through an exclusive agreement with Pentair Water Pool and Spa, Inc., and managed by Ecos Consulting, a third-party consulting firm.

*If you do not have the authority to sign the Letter of Agreement on behalf of your company, it can be faxed or mailed after obtaining an authorized signature. Contact information is available on the Letter of Agreement.

If you have any questions, please contact program hotline at 1-866-803-5250 or refer to the program website www.pentairpool.com/energyrebates/pge.
